

## **Cupcakes – Job Description**

**Baking Assistant at Bingrae Bakery m/f**

### **Department**

Cupcake department

Bingrae bakery sets great store by the quality work carried out by the bakers. Customer loyalty is where we are standing for, by guaranteeing an excellent taste and quality experience.

### **What we offer you**

We are offering you an excellent full-time position as assistant baker in the cupcake department. You have the opportunity to work with a highly motivated and experienced team.

Key responsibilities will be:

- Executing the baking process
- Precise quality control
- Engage appropriate planning
- Maintaining necessary baking supplies

### **Term of employment**

The first week you as an appropriate member can prove your skill and perseverance. Convince us and you will obtain a non-permanent contract for six months. By that time you have the choice to become a permanent employee.

### **Job qualifications**

A minimum two year experience in a bakery is required for this job. We expect you having a pair of steady hands for the decoration on the cupcakes. Besides the job experience, much more important is your personality. Our team consist of goal-orientated members. A love of baking and dedication are needed. Teamwork and good communication are of great importance just as the ability to cope under pressure. Creativity and attention to detail are especially important for cupcake bakrs.

If you think you have all of these skills and you are interested, feel free to contact us by sending us your letter of motivation together with your CV.
